Vendor Booth Guidelines

Welcome to the 2016 East Alton 'Soap Box Festival.' We are looking forward to yet another successful year of fun and excitement. We would also like to thank you for being one of our vendors for the 'Soap Box' and wish you a successful day as well. Listed below is important information and guidelines to help make your set-up as easy as possible.

1. **You will be assigned an area for your booth.** All booths are located on the parking lot of Berkshire Blvd. and Tomlinson St. When you arrive, you may check in at the **East Alton Parks & Recreation Booth**, where you will be directed to your location. A chair will be set at your designated area with the vendor's name on it to help locate booth space. If you have reserved tables and chairs, they will be at your booth or given to you when you arrive.

2. You may set your booth up as early as 7:00am.

3. You may pull your car in just to set up the booth, but not to park. However, **after 8:30am the vendor area will be closed** and no vehicles will be allowed to enter in. At this point, you will have to carry in your supplies.

4. **You may park** along Cardot St and the open lot which is located behind the Wilshire building on Main St.

5. Remember to **keep trash all picked up** and disposed in proper trash cans that are located through the event. Make sure that large amounts of trash are taken to the dumpster.

6. You may want to **bring a tent cover or canopy for shelter** over your booth.
7. **No alcohol is permitted.** This is a Youth Alcohol Free Event.

8. **If you HAVE NOT turned in the Waiver Release Form, please do so at this time,** and return to the East Alton Parks and Recreation Department at 615 3rd Street, East Alton, IL 62024.

Thank You,

East Alton Parks & Recreation Department
